Kindergarten Drop-Off and Pickup

As the rain during the spring months continues to "flood" our sidewalk back to the Kindergarten door, **we are going to make a change to the arrival and dismissal of our Kindergarten students.** **"Rain or shine, they will now enter and leave through the doors at the front of the school everyday.** Please continue to park along the gym wall as you have been doing as this will give you additional time for managing car seat buckles!

We'll do our best to help with backing out.
