## FALL FAMILY FUN NIGHT

Thank you to everyone who came out to participate in our Fall Family Fun Night last Friday. It was wonderful to have such a great time of fellowship with our school family and to have the chance to just have fun together after a week of reading, writing and arithmetic.

The number of families in attendance and your wonderful feedback will certainly encourage us to plan future events.

## ABOUT OCTOBER 31<sup>ST</sup>

Did you know that October 31<sup>st</sup> is the birthday of the Lutheran church, indeed of all Protestant churches? Dr. Martin Luther chose All Hallow's Eve (the night before All Saints' Day) to nail his 95 theses to the door of the castle church at Wittenberg. We commemorate this important day in the history of the church with special services and we will certainly celebrate Reformation Day here at FLCA as well.

We have deliberately chosen to downplay Hallowe'en at FLCA, with its emphasis on witches, ghosts and the like. Of course, there may be extra treats in some classrooms and we will emphasize "Trick or Treat" safety rules. If you have any questions about Hallowe'en at school, please ask your child's teacher.

## REMEMBRANCE DAY SERVICE

Remembrance Day is a time of special observance at FLCA. You are invited to join us as we honour those who have paid the ultimate sacrifice for our freedom. The service will be held in the Chapel on Friday, November 11, beginning at 10:30am. (Due to the service that day, there will be no regular 8:30 a.m. Chapel service on Wednesday, November 9.) Members of the cadet corps, boy scouts and girl guides are welcome to wear their special uniforms on that day. God bless Canada and God save the Queen!

## DAYLIGHT SAVING TIME ENDS

Daylight Saving Time ends this next weekend, Sunday November 6. Please remember to set your clocks back one hour before retiring on Saturday night, November 5<sup>th</sup>.

(Remember, remember the fifth of November ...). The Windsor Fire and Rescue Service reminds us that the twice-yearly time changes are the perfect time to check the batteries in your home smoke alarms and carbon monoxide detectors. Enjoy your extra hour of sleep!
