## LIKE US ON FACEBOOK

As we prepare our school marketing programme in advance of our scheduled Open House in February, we would like to ask a favour of you. Some of our families have already "liked" us on Facebook and we are very appreciative of that. For those who have yet to do so, may we strongly encourage you to take the time to "like" us? We already know that you all love this school; the reason we wish for you to add us to your Facebook likes list, is so that we can reach our target audience with our outreach. More and more, social media is proving to be one of the most effective marketing tools and your endorsement through this action would be highly beneficial for FLCA.
