## PUNCTUALITY

As we all struggle with the demands of modern life with children, we know that sometimes we are happy just to "arrive alive and on time". Mornings in a busy household can be very challenging. We all try to implement good rules to make them better (making lunches, picking out clothes and packing backpacks the night before school for example), but sometimes unforeseen circumstances can arise, causing delayed departures.

Punctuality is a behaviour that we try to model for our students, whether that means turning in assignments on time or arriving at school before Opening Exercises. We need your help with this at home too. We have been noticing an increase in tardiness lately. Late arrivals can disrupt lessons and are especially troublesome during Chapel Service on Wednesday mornings. Please make every effort to make an early start in the morning and to arrive at school in a timely fashion. Thank you so much for your help.
