All that you need are some comfy clothes, water and, of course, running shoes! We will run outside as often as the weather permits.

TRACK AND FIELD DAY

On Tuesday, May 7th, we will hold our FLCA Track and Field Day. All students from Grade 1 to Grade 8 will participate. Besides being a day of great fun and physical activity, we also have the opportunity to choose individuals in each age group who will represent us at the WECSA Track & Field Meet on Friday, June 7th (Grade 1 students are not eligible for the June meet, but will certainly take part in our own field day).

We will hold the 100 m, 800 m, and 1500 m for all groups in the morning, from approximately 9:00 a.m. to 10:00 a.m.

(NB: children 11 and up will run the 800m at the beginning of the afternoon.)

All other events will take place in the afternoon.

For Track & Field day, all students may come to school in their track & field attire for the day. Don't forget water bottles and sunscreen if needed.

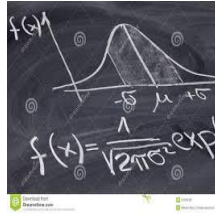

TRACK AND FIELD DAY HELPERS

Next Tuesday, May 7th, we will hold our FLCA Track and Field Day. All students from Grade 1 to Grade 8 will participate. We need parent volunteers to help us on Tuesday, May 7th, to marshal events, help set up the courses, act as timers, count laps, etc. If you can help, please let Mrs. Eberhard know.

AN IMPORTANT NOTE ABOUT FIRE SAFETY

Last week, we held one of our twice annual fire drills. Arising out of that event is a concern we need to share with parents and students alike. **We need to emphasize how very important it is that EVERYONE who enters and leaves the building at a time other than the regular arrival and dismissal times INFORMS THE OFFICE UPON ARRIVAL AND OR DEPARTURE.** It is vital for the safety of our staff and our students, that everyone (including parent volunteers) participates in this essential process. For example, one of the protocols in a fire emergency is that assigned staff members check the classrooms, washrooms etc. to ensure that everyone has vacated the premises. If we are unaware of the presence or absence of a student, the life of student may be endangered as we may not expect them to be in the building. Conversely, a staff member may put their life in danger searching for a student who has left the premises without checking out. Even if the teacher is informed, it is necessary to check in and out at the office because that is where the master attendance list is held. We will be reminding the students of this important safety rule and we ask that you help us to enforce it with your participation.
