## GRADUATION

On Thursday, June 11<sup>th</sup>, we were pleased to celebrate graduation with our twenty-third graduating class via video and home (socially distanced) visits. We congratulate all of our grads. We are very proud of their accomplishments and while we are sad to see them go, we are confident that they will be shining lights wherever their lives may take them. Of course, we would be delighted if they would come back and visit us too!

For some of our families, this graduation means that your association with FLCA is coming to an end. However, we would encourage you to stay in touch (we love to hear about our alumni) and to continue to support us through your prayers and financial support. Thank you so much for the privilege of allowing us to teach your children and may God bless you!
