DAILY COVID-19 SCREENING

The Windsor Essex County Health Unit is now recommending an **interactive COVID-19 Daily Screening Tool** for use by parents, students, staff and school visitors. To make it easier for you, there is a link on the **Home** page of our website at www.flca.ca. As many of you have noticed, the screening tool has been revised since October 1, with a different grouping of symptoms and more advice about what to do. **In addition, the WECHU has published a flow chart (included with this Tuesday Note), which clearly outlines their protocol for Students with any Symptoms of COVID-19.**

All FLCA staff and students must use the screening tool daily before coming to school each morning.

SHARING ITEMS FROM HOME

Just a reminder that, according to our COVID-19 mitigation plan, **students may not share any items that they bring from home, including food, school materials or holiday gifts.** This will have an impact on some of our typical celebrations, such as birthdays and holidays, but our staff will work hard to make these days special in other ways and to continue to teach and model a spirit of kindness and love through our words and actions.

SCHOOL SPIRIT WEAR

Our School Spirit Wear is available year-round for those who are interested. Perhaps you are new to our school and would like to purchase one or more of the items available, or your children have experienced growth spurts (as has been known to happen!) and you are looking for Spirit Wear in larger sizes. Our short-sleeved and long-sleeved T-shirts, pullover and zippered fleece hoodies and jackets can be purchased online directly from Allegra Printing/Dynamic Designs. You can pick up your finished items at their Erie Street location, or arrangements can be made with them for delivery to your home. Please note that all Spirit Wear items are acceptable as part of our school uniform.
