

Tuesday Note

November 10, 2020

“From the fullness of His grace we have all received one blessing after another.”

John 1:16

WARM WEATHER FAREWELL

Our weather in Southwestern Ontario has been absolutely balmy for the last few days! However, being residents of Canada, we know that the inevitable cold winter blast is ahead of us. Since one of our COVID-19 mitigation protocols involves the need to provide good ventilation in our classrooms, we will be continuing the practice of opening windows and doors periodically throughout the day in order to facilitate complete air exchange, even as the temperatures outside fall. **It's important then to make sure that all students come to school with a sweater, or sweatshirt that they can put on in the classroom, if needed.** It is best that students keep these items in their backpacks or wear them all day as access to their lockers will still be restricted except upon arrival and at dismissal. As well, our nighttime cleaning protocols prohibit the storage of these items overnight in the classrooms.

REPORT CARDS AND INTERVIEWS

First term report cards will be sent home on Tuesday, November 17th. Our **interviews** this year will be in the form of telephone conversations between parents and teachers, taking place on **Thursday, November 19th from 4:15pm to 8:00pm and Friday morning, November 20th from 9:00am until 12 noon.** Please give us a call at 519-250-7888 to schedule your interview time. **If you wish to add an interview or change a time after 3pm on Thursday, November 19, please communicate your wishes directly with your child's teacher via email.**

REMEMBRANCE DAY

Remembrance Day is a time of special observance at FLCA. This year, on Wednesday, November 11, we will gather outside as a school in commemoration as we honour those who have paid the ultimate sacrifice for our freedom. God bless Canada and God save the Queen.

DAILY COVID-19 SCREENING

The Windsor Essex County Health Unit is now recommending an **interactive COVID-19 Daily Screening Tool** for use by parents, students, staff and school visitors. To make it easier for you, there is a link on the **Home** page of our website at www.flca.ca. As many of you have noticed, the screening tool has been revised since October 1, with a different grouping of symptoms and more advice about what to do. **In addition, the WECHU has published a flow chart (included with this Tuesday Note), which clearly outlines their protocol for Students with any Symptoms of COVID-19.**

All FLCA staff and students must use the screening tool daily before coming to school each morning.

P. A. DAY

Due to Interviews, there will be no school or home learning program for students on Friday, November 20.
