Running Club begins this week!

Running Club will be held on Tuesdays and Fridays during our last recess. Whether you want to train for Track season or just love running, please consider joining the Running Club! All students from Grade 2-8 are welcome. Please be sure to keep your running shoes available everyday, in case we have to make changes to our schedule due to inclement weather.

Chapel Invitation

FLCA is happy to announce a further step towards opening our doors to our FLCA Family and Friends. We wish to invite any who are interested to join us on Wednesdays, between 8:45 and 9:10, for our Chapel services.

We're looking forward to seeing you!

Rapid Antigen Test Kits

We will once again be offering each student a RAT kit that includes two tests. We will pass them to you in our pick-up line on Wednesday, April 20th. Children experiencing COVID symptoms are to use the tests provided as part of the return to school protocol. After 2 negative tests, taken 24 or 48 hours apart, and with improving symptoms and no fever, your child(ren) can come to school.

Updated Guidance for COVID-19

A new flow chart has been provided to the school in regards to guidance for households with children/students who have symptoms of COVID-19 or who have tested positive. We have attached a copy.

Cross Country and Track & Field

On May 10th we will hold an In School Cross Country meet. Grades 1-8 will participate.

On May 13th we will hold our FLCA In School Track & Field meet. All students from Grade 1-8 will participate. Besides being a day of great fun and physical activity, we also have the opportunity to choose individuals in each age group who will represent us at the WECSA Track & Field day, on June 10th. (Grade 1 students are not eligible for the June meet but will certainly take part in our own field day.) **We need parent volunteers to help us on Friday, May 13th, to marshal events, help set up the courses, act as timers, count laps, etc. If you can help, please contact the office via email: flca@mnsi.net or call: 519-250-7888**
