*And Jesus grew in wisdom and stature, and in favour with God and men.
-Luke 2:52*

A Blessed New Year

Welcome to a whole new year and welcome back to FLCA! We hope your holiday and celebrations were a blessing to you, and that you are ready for the new year! It was wonderful to greet all of our students and families again on Monday, following our Christmas Break, along with some new and returning friends. We thank God that all had an opportunity to rest or travel or spend time with family during the Christmas season, and that He had brought us back together again to continue our school year in a new calendar year.

When we are apart from each other, even for a two week span of time, I am always surprised to see how quickly children grow! The verse above reminds us that, just like our children, the twelve year old Jesus grew taller too. He also grew in wisdom and in favour with God and men. Isn't that what we want for our children and ourselves too?

Every day, we have opportunities to grow in wisdom, stature, and in favour with God and people around us. God wants us to grow to be healthy, strong, and active, and He also desires that we become more and more like His Son, Jesus. God wants us to be wise, but even more, He wants us to be faithful sons and daughters who serve Him and His people.

We want to begin this new year of 2023, committed to teaching and learning, and growing in faith and wisdom.
