Google Review

If you haven't already, and have a desire to help us, FLCA asks that you please write a Google Review of our school. A big thank you to those that have written a review! We have received some feedback from prospective families that they searched for the best Christian Schools in the area and found us!

The Google search engine algorithm promotes those with great reviews by putting their website at the top of the page when a user requests a search that is related to your website. For example, if a prospective family types "Christian Private Schools in Windsor", our website can be the first option to click because of your reviews!

Thank you for your support!
