Google Review

If you haven't already, and have a desire to help us further, FLCA asks that you please write a Google Review of our school.

The Google search engine algorithm promotes those with great reviews by putting their website at the top of the page when a user requests a search that is related to your website. For example, if a prospective family types "Christian Private Schools in Windsor", our website can be the first option to click because of your reviews!

Thank you for your support!
