Track & Field Meet- June 10th

Please note that the **school will be closed on June 10th to all students**, as all teachers will be needed to accompany those competing, help to marshall events, and are also needed to run the event that FLCA is responsible for that day. Parents are encouraged to stay for the Meet and cheer on our Eagles!

*** In the event that the Meet is rained out, there WILL be school for everyone on June 10th. (There will be no school on the rain date, June 13th.)**

*In an effort for efficient mass communication, **all parents should check their emails the morning of June 10.** An email from the principal's account, flcaprincipal@gmail.com, will **ONLY** be sent in the event that the Meet is cancelled.

Out of Uniform Day for Ukraine

FLCA families raised over \$300 to support the relief efforts for Ukraine on our out of uniform day. Way to go, Eagles!

Thank you!

2022/2023 Tuition Invoices
