Reformation Day

Did you know that October 31st is the birthday of the Lutheran Church? Dr. Martin Luther chose All Hallows' Eve (the night before All Saints' Day) to nail his 95 theses to the door of the castle church at Wittenberg, an event that many cite as the beginning of the Reformation. We commemorate this important day in the history of the church with special services and we will certainly celebrate Reformation Day here at FLCA as well. We have always deliberately chosen to downplay Hallowe'en at FLCA, therefore no costumes should be worn at school. Thank you. Teachers will emphasize "Trick or Treat" safety rules for those venturing out on Monday night.

Cross Country

Congratulations to the FLCA Cross Country team. We were out at Malden Park on a chilly day but we performed our very best! Thank you to our supporters who bundled up and cheered us on. Thank you to our drivers and to our Coach, Mrs. Johnson, and our Coordinators Mrs. Eberhard and Ms. Procknow.

Daylight Saving Time Ends

Daylight Saving Time is coming to an end on Sunday, November 6th. Please remember to set your clocks back one hour before retiring on Saturday night, November 5th.

The Windsor Fire and Rescue Service reminds us that the twice-yearly changes are the perfect time to check the batteries in your home smoke alarms and carbon monoxide detectors.

Enjoy the extra hour of sleep!

Special Guest Speaker

Tirzah Krey, an FLCA alumna, will be joining us on Thursday, October 27th. Tirzah is now back in Canada for the next couple of months for Home Service, where she will visit churches and schools to share about the mission of the church and her work in the Dominican Republic. She cares for the missionaries and their families, she promotes community health and coordinates community health initiatives.

If you'd like to learn more about Tirzah's missionary work, please join us on Thursday at 9:10am.

Please pray for Tirzah as she serves the church and people of the Dominican Republic.

Kindergarten's Special guests

The Kindergarteners were treated to a special guest appearance. Fire Station #5 came out to teach us about fire safety and, of course, show off their truck!

Pictures are posted on social media. Be sure to like and follow us on Facebook and Instagram.

Government offers "Catch-up" payments

The Ontario government launched Catch Up Payments, offering families direct financial aid to support their children as they catch up. This money can be used to help to offset costs, whether that be for educational supplies, additional tutoring supports or other items to help their children address learning needs resulting from the pandemic.

Students (up to 18 years old) can receive \$200 per child, while students with special education needs (up to 21 years old) can receive \$250. Families can apply for Catch Up Payments through a secure website where they can create a unique profile for each eligible student.
