But those who wait for the Lord will renew their strength. They shall mount up with wings like eagles. They shall run and not be weary. They shall walk and not be faint. Isaiah 40:31

EAGLE RUN AND BARBECUE October 1st

Now that restrictions have been lifted at long last, we can return to so many of the activities that have enhanced our school experience in the past.

One of those events is the **Eagle Run and Barbecue** which is so important to the life of our school. This event gives us an opportunity for fellowship as a school community, along with members of our church family.

Additionally, it serves as a vehicle for much needed fundraising for our school. Below, you will see a number of ways to participate.

Children will also be taking home pledge cards with further information about collecting pledges and how to attend our the 3rd Annual Eagle Run and BBQ for FREE!

Run Information

FLCA's 3rd Annual Eagle Run and BBQ will take place on Saturday, October 1st at Ciociaro Club (3745 North Talbot Rd).

The Kids' 1K Dash begins at 3pm. This is open to any children 12 years old and younger. All participants must be accompanied by an adult.

The 5km Walk/Run begins at 3:30 pm. Strollers are welcome!

Participants of both races are encouraged to register early to guarantee a T-shirt size.

Changes to the Home Learning Program

As we shared prior to the start of classes in September, COVID-19 restrictions continue to be lifted for schools, particularly in the areas of isolation for those who are ill, as well as for family members. **Since it will no longer be the case that students who are not well, or have no symptoms will be required to stay home, we will no longer be providing daily material through our Home Learning Program.**

We will return to our former practice: those who are not feeling well should stay home, rest and recover. Upon the student's return to school, teachers will work to help them catch up any missed learning and assignments using a flexible timetable.

We will continue to update our families should any further changes to the COVID-19 restrictions arise.
