## Graduation

On Thursday, June 16th, we were pleased to celebrate graduation with our 2021/2022 graduates.

We are very proud of their accomplishment and while we are sad to see them go, we are confident that they will be shining lights wherever their lives may take them. Of course, we would be delighted if they would come back to visit us too!

For some families, this graduation means that your association with FLCA has come to an end. However, we encourage you to stay in touch, as we love to hear about our alumni! Please continue to support us through your prayers.

We thank you greatly for the privilege of allowing us to teach your children and may God bless you.

## As another school year draws to a close....

how richly God has blessed us! I think of our wonderful student body, some who were new friends in September, and many who have been with us over the years. It has been so wonderful to spend almost the whole school year together "in-person". The joyful sounds of children at recess was music to my ears. Students, your diligence in the classroom was so evident as I had the opportunity to read each of your report cards. The honour and respect you showed to all of your teachers was a credit to your wonderful upbringing at home and your eagerness to live a God-pleasing life. You've had an excellent year, and I'm looking forward to another great year with you in 2022/2023.

I am so grateful for our wonderful families: our parents who are always so willing to lend a helping hand, to share encouraging words and to assist in the efforts of our staff as they strive to teach the students all that they need to know academically, socially, physically and spiritually. Your support is appreciated more than you can know.

I know that you join me in thanking our excellent staff for their outstanding efforts on behalf of the students and families they serve. They are dedicated and hard-working, and truly love their labours. The support of the members of our congregation at First Lutheran Church, our Pastors, and the members of our Board is invaluable to the work that is done at FLCA, and I want to thank you for all of your guidance, financial support and prayers.

May God bless us all this summer and throughout the year,  
Mrs. Eberhard
