First Lutheran Christian Academy

Tuesday Note

August 26, 2025

For from Him and through Him and to Him are all things. To Him be the glory forever! Amen. -Romans 11:36

Welcome Back

Welcome back to First Lutheran Christian Academy for a new school year! We are so thankful for each of you and the joy you bring to our school family.

We look forward to another year of learning, growth, and seeing God's faithfulness at work in the lives of our students and families.

Mrs. McLeod and the staff at FLCA.

Week at a glance

- **Tuesday, September 2** — **First Day of School**
  8:15 Early entry
  8:30 Class begins
  (Before and After School Care available)
- **Sunday, September 7** — **Order Hot Lunch**
  Deadline, Sunday @12pm
  A small percentage of the order total is donated to FLCA

Before and After School Program

FLCA continues to offer a Before and After School Program. Before and After School Care is hosted in the Library.

Please knock on the Library door to drop-off students attending Before School Care.

Mrs. Moro is excited to welcome the children in the morning!

Front doors will not open until early drop-off begins at 8:15.

Please knock on the Library door for student pick-up. *Reminder* We need to know in advance if you intend for someone other than yourself to pick-up your child(ren). They will need to present a form of picture ID.

After School Care welcomes back Miss Michaela. She is looking forward to seeing the students again!

Session of Before School 7-8:15am	$10 (drop off anytime)
Session of After School Care 3:00-5:30pm	$10 (pick up anytime)

Late pick up, after 5:30, will incur extra charges.

FLCA Eagle Run and BBQ — September 27

First Lutheran Christian Academy will host our Annual Eagle Run and BBQ on Saturday, September 27, 2025..

The Tuesday Notes will provide you with all the information you'll need as the event approaches.

Be sure to mark your calendars and check back here for notices about registration, pledge cards, donations, and sponsorships.

If you would like to sponsor the event please contact us at flca@mnsi.net

We thank you for your continued support in making this day a special event for our community.

Spirit Wear

Spirit Wear is now available to order! Remember that spirit wear items can be worn as part of our school uniform. You can order from www.wearitproud.ca
You will need to select SHOP, then SCHOOLS, and you'll land on a page where you can select an icon of First Lutheran Christian Academy.
There is a wide variety of shirts, sweaters, and jackets available for the whole family! We've added some new items this year. Be sure to check it out.

We are running a Spirit Wear Campaign until September 12.
Simply place your order online and the order will be sent to the School approximately two weeks after our September 12 deadline.
There is no shipping cost! Please select pick-up. (If you choose to send the items to your home, there will be a small shipping charge.)

Genio-Tech Robotics

Genio-Tech Robotics will be hosting their Coding and Robotics Programme on campus at FLCA. They will be offering special pricing to our students. They will meet every Friday after school from 3-4pm, for $100 a month. Please note, Coding is the focus for the first three months, and then students will learn how to implement their new skills with Robotics the following months. Competition will also become available for selected students.
Classes begin October 3rd.
Please see the attached flyer for more information.
If you have any further questions, and to register, please contact the front office at 519-250-7888, and Genio-Tech at 226-260-3388

First Lutheran Church Picnic — September 14

First Lutheran Church will hold their Annual Church Picnic here at the Academy. A service will be held out on our playground. Special blessings will be placed upon our Teachers and Staff.

You are also invited to stay for a BBQ lunch. The day will include some games and activities for children and families.
Service begins at 10am.

Please, come join us!

CODING & ROBOTICS COURSES

Rookie Engineers
Age 4 - 6
Our program delivers an excellent foundation in engineering and math including structure and physics. That impacts our children motor skills.

Junior Robotics
Age 6 - 9
This class introduces kids to the fundamentals of robotics including motors, sensors, and coding. Furthermore, it empowers their math skills.

Senior Robotics
Age 10 - 14
Students are introduced to advanced coding, math and engineering with sensors such as the color, distance and gyro sensor.They also learn the basics of automation and gearing.
