Under current legislation, we are limited to five spaces in our Pre-Kindergarten Programme again for our 2025/2026 school year. We know that there are younger siblings of some of our students who will be eligible for PK in the 2025/2026 school year.
Pre-Kindergarten students at FLCA are at least 2.5 years of age and fully toilet trained.
If it is your hope that your child will join our PK class at some point in the next school year, could you please fill out the attached form and return it to the school office as soon as possible? **We want to reserve space for our current families before opening them up to new families.**
