Daylight Saving Time Ends

Daylight Saving Time is coming to an end on Sunday, November 3rd. Please remember to set your clocks back one hour before retiring on Saturday night, November 2th.

The Windsor Fire and Rescue Service reminds us that the twice-yearly changes are the perfect time to check the batteries in your home smoke alarms and carbon monoxide detectors.

Enjoy the extra hour of sleep!

About October 31st

Did you know that October 31st is the birthday of the Lutheran Church, indeed of all Protestant churches?

Dr. Martin Luther chose All Hallow's Eve (the night before All Saints' Day) to nail his 95 theses to the door of the castle church at Wittenberg; an event many cite as the beginning of the Reformation. We commemorate this important day in the history of the church with special services and we will certainly celebrate Reformation day at FLCA as well.

We deliberately have chosen to downplay Hallowe'en at FLCA, with the emphasis of witches, ghosts and the like. No costumes should be worn to school. Teachers will, however, talk with the students about staying safe while "trick-or-treating" for those venturing out Tuesday night. Treats for classmates *are* welcome. Please note that treats will be sent home unopened.

Parent/Teacher Interviews

First term report cards will be sent home Tuesday, November 12th. Parent/Teacher Interviews will be held on Thursday evening, November 14th and Friday morning, November 15th. More details will follow.

***Reminder: There is no school for students on Friday, November 15th.**

Sweater Weather

In true Canadian fashion, our Autumn days vary in temperature day by day and hour by hour.

Please be sure your child dresses in layers to keep warm. This week, they'll need a jacket and a sweater, and even hats and gloves. Students can remove extra layers as the sun shines and the day heats up in the afternoons.
